DEFINITIONS

As used throughout this Certificate, the following terms shall have the meanings indicated below. Other parts of this Certificate contain definitions specific to those provisions.

ACTIVE WORK or **ACTIVELY AT WORK** means an Employee's full-time performance of all Main Duties of his or her Own Occupation, for the regularly scheduled number of hours, at:

1. the Employer's usual place of business; or
2. any other business location where the Employer requires the Employee to travel.

Unless disabled on the prior workday or on the day of absence, an Employee will be considered Actively at Work on the following days:

1. a Saturday, Sunday or holiday that is not a scheduled workday;
2. a paid vacation day or other scheduled or unscheduled non-workday; or
3. a non-medical leave of absence of 12 weeks or less, whether taken with the Employer's prior approval or on an emergency basis.

This includes a Military Leave or an approved Family or Medical Leave that is **not** due to the Employee's own health condition.

ANNUAL SALARY means the Insured Employee's **BASIC MONTHLY EARNINGS** or **PREDISABILITY INCOME** multiplied by 12.

BASIC MONTHLY EARNINGS or **PREDISABILITY INCOME** means the Insured Employee's average monthly base salary or hourly pay from the Employer before taxes on the Determination Date. The "Determination Date" is the last day worked just prior to the date the Disability begins.

It does **not** include commissions, bonuses, overtime pay, or any other extra compensation. It does not include income from a source other than the Employer. It will not exceed the amount shown in the Employer's financial records, the amount for which premium has been paid, or the Maximum Covered Monthly Earnings permitted by the Policy; whichever is less. (Maximum Covered Monthly Earnings equals the Maximum Monthly Benefit divided by the Benefit Percentage shown in the Schedule of Benefits.) Exception: For purposes of determining the amount of the Partial Disability Monthly Benefit, Basic Monthly Earnings will not exceed the amount shown in the Employer's financial records.

COMPANY means The Lincoln National Life Insurance Company, an Indiana corporation. Its Group Insurance Service Office address is 8801 Indian Hills Drive, Omaha, Nebraska 68114-4066.

DAY or **DATE** means the period of time that begins at 12:01 a.m. and ends at 12:00 midnight, standard time, at the Policyholder's place of business. When used with regard to effective dates, it means 12:01 a.m. When used with regard to termination dates, it means 12:00 midnight.

DISABILITY or **DISABLED** means Total Disability or Partial Disability.

DEFINITIONS
(continued)

DISABILITY BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan due to disability as defined in that plan; and
2. does not reduce the benefits that would have been paid as Retirement Benefits at the normal retirement age under the plan if the disability had not occurred.

If the payment of the benefit does cause such a reduction, the benefit will be deemed a Retirement Benefit as defined in the Policy.

ELIMINATION PERIOD means the number of days of Disability during which no benefit is payable. The Elimination Period is shown in the Schedule of Benefits. It applies as follows.

1. The Elimination Period:
 - a. begins on the first day of Disability; and
 - b. is satisfied when the required number of days is accumulated within a period which does not exceed two times the Elimination Period.

During a period of Disability, the Insured Employee may return to full-time work, at his or her own or any other occupation, for an accumulated number of days not to exceed the Elimination Period.

2. Only days of Disability caused by the same or a related Sickness or Injury will count towards the Elimination Period. Days on which the Insured Employee returns to full-time work will not count towards the Elimination Period.

EMPLOYEE or **FULL-TIME EMPLOYEE** means a person:

1. whose employment with the Employer is the person's main occupation;
2. whose employment is for regular wage or salary;
3. who is regularly scheduled to work at such occupation at least the Minimum Hours Per Week shown in the Schedule of Benefits;
4. who is a member of an Eligible Class which is eligible for coverage under the Policy;
5. who is not a temporary or seasonal employee; and

EMPLOYER means the Policyholder. It includes any division, subsidiary or affiliated company named in the Application or Participation Agreement.

EVIDENCE OF INSURABILITY means a statement of proof of an Employee's medical history. The Company uses this to determine his or her acceptance for insurance or an increased amount of insurance. Such proof will be provided at the Employee's own expense.

DEFINITIONS
(continued)

FAMILY OR MEDICAL LEAVE means an approved leave of absence that:

1. is subject to the federal FMLA law (the Family and Medical Leave Act of 1993 and any amendments to it) or a similar state law;
2. is taken in accord with the Employer's leave policy and the law which applies; and
3. does not exceed the period approved by the Employer and required by that law.

Under the federal FMLA law, such leaves are permitted for up to 12 weeks in a 12-month period, as defined by the Employer. The 12 weeks:

1. may consist of consecutive or intermittent work days; or
2. may be granted on a part-time equivalency basis.

If an Employee is entitled to a leave under both the federal FMLA law and a similar state law, he or she may elect the more favorable leave (but not both). If an Employee is on an FMLA leave due to his or her own health condition on the date Policy coverage takes effect, he or she is not considered Actively at Work.

FULL-TIME, as it applies to the Partial Disability Monthly Benefit, means the average number of hours the Insured Employee was regularly scheduled to work, at his or her Own Occupation, during the month just prior to:

1. the date the Elimination Period begins; or
2. the date an approved leave of absence begins, if the Elimination Period begins while the Insured Employee is continuing coverage during a leave of absence.

INJURY means an accidental bodily Injury that:

1. requires treatment by a Physician; and
2. directly, and independently of all other causes, results in a Disability that begins while the Insured Employee is insured under the Policy.

INSURANCE MONTH or **POLICY MONTH** means that period of time:

1. beginning at 12:01 a.m. Standard Time, at the Policyholder's place of business on the first day of any calendar month; and
2. ending at 12:00 midnight on the last day of the same calendar month.

INSURED EMPLOYEE means an Employee for whom Policy coverage is in effect.

DEFINITIONS (continued)

MAIN DUTIES or **MATERIAL AND SUBSTANTIAL DUTIES** means those job tasks that:

1. are normally required to perform the Insured Employee's Own Occupation; and
2. could not reasonably be modified or omitted.

To determine whether a job task could reasonably be modified or omitted, the Company will apply the Americans with Disabilities Act's standards concerning reasonable accommodation. It will apply the Act's standards, whether or not:

1. the Employer is subject to the Act; or
2. the Insured Employee has requested such a job accommodation.

An Employer's failure to modify or omit other job tasks does **not** render the Insured Employee unable to perform the Main Duties of the job.

Main Duties include those job tasks:

1. as described in the U.S. Department of Labor Dictionary of Occupational Titles; and
2. as performed in the general labor market and national economy.

Main Duties are **not** limited to those specific job tasks as performed for a certain firm or at a certain work site.

MEDICALLY APPROPRIATE TREATMENT means diagnostic services, consultation, care or services that are consistent with the symptoms or diagnosis causing the Insured Employee's Disability. Such treatment must be rendered:

1. by a Physician whose license and any specialty are consistent with the disabling condition; and
2. according to generally accepted, professionally recognized standards of medical practice.

MILITARY LEAVE means a leave of absence that:

1. is subject to the federal USERRA law (the Uniformed Services Employment and Reemployment Rights Act of 1994 and any amendments to it);
2. is taken in accord with the Employer's leave policy and the federal USERRA law; and
3. does not exceed the period required by that law.

MONTHLY BENEFIT means the amount payable monthly by the Company to the Insured Employee who is Totally Disabled or Partially Disabled.

OWN OCCUPATION or **REGULAR OCCUPATION** means the occupation, trade or profession:

1. in which the Insured Employee was employed with the Employer prior to Disability; and
2. which was his or her main source of earned income prior to Disability.

It means a collective description of related jobs, as defined by the U.S. Department of Labor Dictionary of Occupational Titles. It includes any work in the same occupation for pay or profit, regardless of:

1. whether such work is with the Employer, with some other firm, or on a self-employed basis; or
2. whether a suitable opening is currently available with the Employer or in the local labor market.

OWN OCCUPATION PERIOD means a period as shown in the Schedule of Benefits.

DEFINITIONS
(continued)

PARTIAL DISABILITY or **PARTIALLY DISABLED** will be defined as follows.

1. During the Elimination Period and Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee:
 - a. is unable to perform one or more of the Main Duties of his or her Own Occupation; or is unable to perform such duties Full-Time; and
 - b. is engaged in Partial Disability Employment.
2. After the Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee:
 - a. is unable to perform one or more of the Main Duties of any occupation which his or her training, education or experience will reasonably allow; or is unable to perform such duties Full-Time; and
 - b. is engaged in Partial Disability Employment.

PARTIAL DISABILITY EMPLOYMENT means the Insured Employee is working at his or her Own Occupation or any other occupation; however, because of a Partial Disability:

1. the Insured Employee's hours or production is reduced;
2. one or more Main Duties of the job are reassigned; or
3. the Insured Employee is working in a lower-paid occupation.

During Partial Disability Employment, his or her current earnings:

1. must be at least 20% of Predisability Income; and
2. may not exceed the percentage specified in the Partial Disability Benefit section.

PHYSICIAN means:

1. a legally qualified medical doctor who is licensed to practice medicine, to prescribe and administer drugs, or to perform surgery; or
2. any other duly licensed medical practitioner who is deemed by state law to be the same as a legally qualified medical doctor.

The medical doctor or other medical practitioner must be acting within the scope of his or her license. He or she must be qualified to provide Medically Appropriate Treatment for the Insured Employee's disabling condition.

Physician does **not** include the Insured Employee or a relative of the Insured Employee receiving treatment.

Relatives include:

1. the Insured Employee's spouse, siblings, parents, children and grandparents; and
2. his or her spouse's relatives of like degree.

POLICY means the group insurance Policy issued by the Company to the Policyholder.

POLICYHOLDER means the person, company, trust or other organization as shown on the Face Page of the Policy.

PREDISABILITY INCOME—See Basic Monthly Earnings definition.

REGULAR CARE OF A PHYSICIAN or **REGULAR ATTENDANCE OF A PHYSICIAN** means the Insured Employee:

1. personally visits a Physician, as often as medically required according to standard medical practice to effectively manage and treat his or her disabling condition; and
2. receives Medically Appropriate Treatment, by a Physician whose license and any specialty are consistent with the disabling condition.

REGULAR OCCUPATION—See Own Occupation or Regular Occupation definition.

DEFINITIONS
(continued)

RETIREMENT BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan either in a lump sum or in the form of periodic payments;
2. does not represent contributions made by an Insured Employee (Payments representing Employee contributions are deemed to be received over the Insured Employee's expected remaining life, regardless of when they are actually received.); and
3. is payable upon:
 - a. early or normal retirement; or
 - b. disability (if the payment does reduce the benefit which would have been paid at the normal retirement age under the plan, if disability had not occurred).

RETIREMENT PLAN means a defined benefit or defined contribution plan that:

1. provides Retirement Benefits to Employees; and
2. is not funded wholly by Employee contributions.

The term shall **not** include any 401(k), profit-sharing or thrift plan; informal salary continuance plan; individual retirement account (IRA); tax sheltered annuity (TSA); stock ownership plan; or a non-qualified plan of deferred compensation.

An Employer's Retirement Plan is deemed to include any Retirement Plan:

1. which is part of any federal, state, county, municipal or association retirement system; and
2. for which the Insured Employee is eligible as a result of employment with the Employer.

SICK LEAVE or **SALARY CONTINUANCE PLAN** means a plan that:

1. is established and maintained by the Employer for the benefit of Employees; and
2. continues payment of all or part of an Insured Employee's Predisability Income for a specified period after he or she becomes Disabled.

It does **not** include compensation the Employer pays an Insured Employee for work actually performed during a Disability.

SICKNESS means illness, pregnancy or disease.

TOTAL DISABILITY or **TOTALLY DISABLED** will be defined as follows.

1. During the Elimination Period and Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee is unable to perform each of the Main Duties of his or her Own Occupation.
2. After the Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee is unable to perform each of the Main Duties of any occupation which his or her training, education or experience will reasonably allow.

The loss of a professional license, an occupational license or certification, or a driver's license for any reason does **not**, by itself, constitute Total Disability.

WAITING PERIOD means the period of time an Employee must be employed in an eligible class with the Employer, before he or she becomes eligible to enroll for coverage under the Policy. The period of service must be continuous, except as explained in the Eligibility provision captioned Prior Service Credit Towards Waiting Period.

GENERAL PROVISIONS

ENTIRE CONTRACT. The entire contract between the parties shall consist of:

1. the Policy and any amendments to it;
2. the Policyholder's application (a copy of which is attached to the Policy);
3. any Participating Employers' applications or Participation Agreements; and
4. any individual applications of the Insured Employees.

In the absence of fraud, all statements made by the Policyholder and by Insured Employees are representations and not warranties. No statement made by an Insured Employee will be used to contest the coverage provided by the Policy, unless:

1. it is contained in a written statement signed by that Insured Employee; and
2. a copy of the statement has been furnished to that Insured Employee.

INCONTESTABILITY. Except for the non-payment of premiums or fraud, the Company may not contest the validity of the Policy after it has been in force for two years from its date of issue; and as to any Insured Employee, after his or her coverage has been in force for two years during his or her lifetime. This clause does not preclude, at any time, the assertion of defenses based upon:

1. the Policy's eligibility requirements, exclusions and limitations; and
2. other Policy provisions unrelated to the validity of coverage.

RESCISSION. The Company has the right to rescind any insurance for which Evidence of Insurability was required, if:

1. an Insured Employee incurs a claim during the first two years of coverage; and
2. the Company discovers that the Insured Employee made a Material Misrepresentation on his or her application.

A "**Material Misrepresentation**" is an incomplete or untrue statement that caused the Company to issue coverage that it would have disapproved, had it known the truth. "**To rescind**" means to cancel insurance back to its effective date. In that event, the Company will refund all premium paid for the rescinded insurance, less any benefits paid for the Insured Employee's claims. The Company reserves the right to recover any claims paid in excess of such premiums.

MISSTATEMENTS OF FACTS. If relevant facts about any person were misstated:

1. a fair adjustment of the premium will be made; and
2. the true facts will decide if and in what amount insurance is valid under the Policy.

If an Insured Employee's age has been misstated, any benefits shall be in the amount the paid premium would have purchased at the correct age.

POLICYHOLDER'S AGENCY. For all purposes of the Policy, the Policyholder acts on its own behalf or as the Employee's agent. Under no circumstances will the Policyholder be deemed the Company's agent.

CURRENCY. In administering the Policy:

1. all Predisability Income will be expressed in U.S. dollars; and
2. all premium and benefit amounts must be paid in U.S. dollars.

WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE. The Policy does not replace or provide benefits required by:

1. Workers' Compensation laws; or
2. any state disability insurance plan laws.

ASSIGNMENT. The rights and benefits under this Certificate may not be assigned.

CLAIMS PROCEDURES

NOTICE OF CLAIM. Written notice of claim must be given by:

1. the 20th day after Disability begins; or
2. the end of the Elimination Period, if later.

If this is not possible, written notice must be given as soon as it is reasonably possible.

The notice should be sent by first class mail to the Company's Group Insurance Service Office. It should include:

1. the Insured Employee's name and address; and
2. the number of the Policy.

Notice sent to any of the Company's authorized agents in Utah, with enough detail to identify the Policy, will also be deemed notice to the Company.

CLAIM FORMS. When notice of claim is received, the Company will send claim forms to the Insured Employee. If the Company does not send the forms within 15 days, the Insured Employee may send the Company written proof of Disability in a letter. It should state the date the Disability began, its cause and degree. The Company will periodically send the Insured Employee additional claim forms.

PROOF OF CLAIM. The Company must be given written proof of claim within 90 days after the end of the Elimination Period. Failure to give proof within the required time period will not invalidate or reduce the claim if:

1. the Insured Employee shows that proof was sent as soon as reasonably possible; or
2. the Company fails to show that its position was prejudiced by the delay.

Proof of claim must be provided at the Insured Employee's own expense. It must show the date the Disability began, its cause and degree. Documentation must include:

1. completed statements by the Insured Employee and the Employer;
2. a completed statement by the attending Physician, which must describe any restrictions on the Insured Employee's performance of the duties of his or her Regular Occupation;
3. proof of any other income received;
4. proof of any benefits available from other income sources, which may affect Policy benefits;
5. a signed authorization for the Company to obtain more information; and
6. any other items the Company may reasonably require in support of the claim.

Proof of continued Disability, Regular Care of a Physician, and any Other Income Benefits affecting the claim:

1. should be given to the Company within 45 days after it is requested; and
2. in any event, must be given by the 90th day after the Company's period of liability ends.

The Insured Employee's delay in giving further proof will not impair the right to benefits which would otherwise accrue, during the six months prior to giving such proof.

EXAMINATION. The Company may have the Insured Employee examined:

1. by a Physician, specialist or vocational rehabilitation expert of the Company's choice;
2. as often as reasonably required while a claim or appeal is pending.

Any such exam will be at the Company's expense.

The Company may determine that (in its opinion) the Insured Employee has:

1. failed to cooperate with an examiner;
2. failed to take an exam scheduled by the Company; or
3. postponed such an exam more than twice.

In that event, benefits may be denied or suspended, until the required exam is completed.

CLAIMS PROCEDURES (continued)

TIME OF PAYMENT OF CLAIMS. Benefits payable under the Policy will be paid within 15 days after the Company:

1. receives complete proof of claim; and
2. completes any further investigation it needs to confirm liability.

After that:

1. Any benefits will be paid monthly, during any period for which the Company is liable. If benefits are due for less than a month, they will be paid on a pro rata basis. The daily rate will equal 1/30 of the Monthly Benefit.
2. Any balance, which remains unpaid at the end of the period of liability, will be paid within 15 days after the Company:
 - a. receives complete proof of claim; and
 - b. completes any further investigation it needs to confirm liability.

INTEREST ON LATE CLAIMS. Any claim payment that is not made by the 15th day will accrue interest at the rate required by state law.

TO WHOM PAYABLE. All benefits are payable to the Insured Employee, while living. After his or her death, benefits will be payable as follows.

1. Any Survivor Benefit will be payable in accord with that section.
2. Any other benefits will be payable to the Insured Employee's estate.

If a benefit becomes payable to:

1. the Insured Employee's estate; or
2. a minor or any other person who is not legally competent to give a valid receipt;

then up to \$2,000 may be paid to any relative of the Insured Employee that the Company finds entitled to payment. If payment is made in good faith to such a relative, the Company will not have to pay that benefit again.

NOTICE OF CLAIM DECISION. The Company will send the Insured Employee a written notice of its claim decision. If the Company denies any part of the claim, the written notice will explain:

1. the reason for the denial, under the terms of the Policy and any internal guidelines;
2. how the Insured Employee may request a review of the Company's decision; and
3. whether more information is needed to support the claim.

This notice will be sent within 15 days after the Company receives complete proof of claim and completes any further claim investigation it needs to resolve the claim. It will be sent within 45 days after the Company receives the first proof of claim, if reasonably possible.

Delay Notice. The Company may need more than 15 days to process the claim, due to matters beyond its control. If so, an extension will be permitted. In that event, the Company will begin its claim investigation by requesting any more information it needs from others, and will send the Insured Employee a written delay notice:

1. by the 15th day after receiving the first proof of claim; and
2. every 30 days after that, until the claim is resolved.

The notice will explain:

1. what additional information is needed to determine liability;
2. whether any part of the claim is contested; and
3. when a decision can be expected.

If the Insured Employee does not receive a written decision by the 105th day after the Company receives the first proof of claim, there is a right to an immediate review, as if the claim was denied.

Exception: The Company may need more information from the Insured Employee to process a claim. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

CLAIMS PROCEDURES (continued)

REVIEW PROCEDURE. Within 180 days after receiving a denial notice, the Insured Employee may request a claim review by sending the Company:

1. a written request; and
2. any written comments or other items to support the claim.

The Company will begin any further claim investigation it needs, and will send the claimant:

1. a written acknowledgement, within 15 days after receiving the appeal; and
2. a written delay notice every 30 days after that, until the appeal is decided.

The Insured Employee may review certain non-privileged information relating to the request for review.

The Company will review the claim and send the Insured Employee a written notice of its decision, within 15 days after completing any further claim investigation and deciding the appeal. The notice will state the reasons for the Company's decision, under the terms of the Policy and any internal guidelines. If the Company upholds the denial of all or part of the claim, the notice will also describe:

1. any further appeal procedures available under the Policy;
2. the right to access relevant claim information; and
3. the right to request a state insurance department review, or to bring legal action.

This notice will be sent within 45 days after the Company receives the request for review, or within 90 days if a special case requires more time.

Delay Notice. If the Company needs more than 45 days to process an appeal, in a special case:

1. an extension of up to 45 more days will be permitted; and
2. the Company will send the Insured Employee a written delay notice, by the 30th day after receiving the request for review.

The notice will explain:

1. the special circumstances which require the delay;
2. whether more information is needed to review the claim; and
3. when a decision can be expected.

Exception: The Company may need more information from the Insured Employee to process an appeal. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, the plan participant or beneficiary must first seek two administrative reviews of the adverse claim decision, in accord with this section. After the required reviews:

1. an ERISA plan participant or beneficiary may bring legal action under Section 502(a) of ERISA; and
2. the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any short-term disability or long-term disability claim, full reimbursement to the Company is required. Reimbursement must be made within 60 days after the Company sends written notice of the overpayment.. If reimbursement is not made, the Company has the right to:

1. reduce future benefits and suspend payment of the Minimum Monthly Benefit under the Policy, until full reimbursement is made;
2. reduce benefits payable to the Insured Employee or his or her beneficiary under any group insurance policy issued by the Company, until full reimbursement is made; or
3. recover such overpayments from the Insured Employee or his or her estate.

CLAIMS PROCEDURES (continued)

Such reimbursement is required whether the overpayment is due to:

1. the Company's error in processing a claim;
2. the Insured Employee's receipt of Other Income Benefits;
3. fraud, misrepresentation or omission of relevant facts; or
4. any other reason.

If benefits have been underpaid on any claim, full payment will be made within 15 days after the Company:

1. discovers the error; or
2. receives acceptable proof of the additional liability.

LEGAL ACTIONS. No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

COMPANY'S AUTHORITY TO ADMINISTER ERISA PLAN. Benefits under the Policy will be paid only if the Company decides in its discretion that the claimant is entitled to them. The Company also has discretion to determine eligibility for benefits and to interpret the terms and conditions of the Policy. Determinations made by the Company pursuant to this reservation of discretion do not prohibit or prevent the claimant from seeking judicial review in federal court of the Company's determinations.

The reservation of discretion made under this provision only establishes the scope of review that a federal court will apply when the claimant seeks judicial review of the Company's determination of eligibility for benefits, the payment of benefits, or interpretation of the terms and conditions applicable to the Policy.

The Company is an insurance company that provides insurance to this benefit plan and the federal court will determine the level of discretion that it will accord the Company's determinations.

This provision does not apply to residents of California.

ELIGIBILITY

ELIGIBLE CLASSES. The classes of Employees eligible for insurance are shown in the Schedule of Benefits. The Company has the right to review and terminate any or all classes eligible under the Policy, if any class ceases to be covered by the Policy.

1. the Policy's date of issue; or

 - a. to cancel insurance;

REINSTATEMENT RIGHTS. If an Insured Employee's coverage terminates due to one of the following breaks in service, he or she will be entitled to reinstate the coverage upon resuming Active Work with the Employer within the required timeframe. "**Reinstatement**" or "**to reinstate**" means to re-enroll for Policy coverage, without satisfying a new Waiting Period or providing Evidence of Insurability. Reinstatement is available upon:

1. the months of leave will count towards any unmet Pre-Existing Condition Exclusion period;
and
2. a new Pre-Existing Condition Exclusion will not apply to the reinstated amount of insurance.

A new Pre-Existing Condition Exclusion will apply to any increased amount of insurance.

CONTINUATION RIGHTS. Ceasing Active Work results in termination of the Insured Employee's eligibility for insurance, but coverage may be continued as follows.

1. **Disability.** If an Insured Employee is absent due to Total Disability, or is engaged in Partial Disability Employment, coverage may be continued during:
 - a. the Elimination Period; provided the Company receives the required premium from the Employer; and
 - b. the period for which benefits are payable, without payment of premium.Premium payments will be waived from the satisfaction of the Elimination Period until the end of the period for which benefits are payable. If coverage is to be continued following a period for which premiums were waived, premium payments must be resumed, as they become due.

4. **Lay-off or Other Leave.** When an Insured Employee ceases work due to a temporary lay-off, or due to an approved leave of absence (other than an approved Family or Medical Leave or a Military Leave); coverage may be continued for three Insurance Months after the lay-off or leave begins. The required premium payments must be received from the Employer, throughout the period of continued coverage.

**INDIVIDUAL TERMINATION
(Continued)**

Conditions. In administering the above continuation, the Employer must not act so as to discriminate unfairly among Employees in similar situations. Insurance may **not** be continued when an Insured Employee ceases Active Work due to a labor dispute, strike, work slowdown or lockout.

INDIVIDUAL TERMINATION DURING DISABILITY. Termination of an Insured Employee's coverage during a Disability will have no effect on benefits payable for that period of Disability.

CONVERSION PRIVILEGE

ELIGIBILITY. The Policy provides a conversion privilege, when an Insured Employee's insurance under the Policy ends because he or she:

1. resigns from employment with the Employer;
2. is terminated from employment with the Employer, with or without cause;
3. goes on a lay-off or leave of absence; or
4. remains on a lay-off or leave of absence beyond the continuation period provided in the Individual Termination section of the Policy.

The Insured Employee may obtain converted long term disability insurance, without medical evidence of insurability. To be eligible for a converted policy, the Insured Employee must have been insured under the Employer's group plan for at least 12 months in a row, just before his or her insurance under the Policy terminated. The 12 months can be a combination of coverages under the Policy, and under any prior group long term disability plan which the Policy replaces.

APPLICATION. Application to convert must be made within 31 days after insurance under the Policy terminates. The converted benefits and amount of insurance may differ from those under the Policy.

CONDITIONS AND LIMITATIONS. This conversion privilege is not available to any Insured Employee whose insurance terminates because:

1. the Policy is terminated by the Employer or the Company;
2. the Policy is amended to exclude the class to which the Insured Employee belongs;
3. the Insured Employee no longer belongs to a class eligible for coverage under the Policy;
4. the Insured Employee retires or dies;
5. the Insured Employee fails to pay the required premium; or
6. the Insured Employee is Disabled under the terms of the Policy.

Also, this conversion privilege is not available to an Insured Employee who becomes insured for long term disability benefits under any other group plan; unless the other coverage takes effect more than 31 days after his or her insurance under the Policy terminates.

If an Insured Employee converts his or her Policy coverage, and later resumes active employment in an eligible class; then the Insured Employee's conversion coverage will terminate on the day before he or she is re-enrolled under the Policy. In no event will benefits be under both the Policy and the conversion coverage for the same period of Disability.

PARTIAL DISABILITY MONTHLY BENEFIT
(Continued)

BENEFIT AMOUNT. The Partial Disability Monthly Benefit will replace the Insured Employee's Lost Income; provided it does not exceed the Total Disability Monthly Benefit, which would otherwise be payable during Total Disability without the Partial Disability Employment.

OTHER INCOME BENEFITS (continued)

RULES FOR OTHER INCOME BENEFIT OFFSETS. If the Insured Employee may be entitled to Other Income Benefits that affect Policy benefits, the following rules will apply.

Claiming Other Income Benefits. An Insured Employee who may be entitled to some Other Income Benefit is required to actively pursue it. For example, if benefits may be payable under the federal Social Security Act, the Insured Employee:

1. must apply for such benefits on a timely basis;
2. must file a request for reconsideration, if benefits are denied; and
3. must request a hearing before an Administrative Law Judge, if denied again (unless the Company waives this in writing).

An Employer whose Insured Employee may be entitled to Workers' Compensation or similar benefits is also required to cooperate in filing that claim. If the Insured Employee fails to pursue Other Income Benefits on a timely basis, the Company has the option to:

1. deny or suspend Monthly Benefits; or
2. reduce Monthly Benefits by an estimated amount.

Estimating Offsets. While a claim for Social Security or other Government Retirement Plan benefits is pending, the Insured Employee must elect one of the following options in writing. (If no written election is made, Monthly Benefits will be reduced in accord with Option 1.)

1. **Reduced Monthly Benefits.** The Insured Employee may receive Monthly Benefits reduced by estimated Social Security or other Government Retirement Plan benefits. The Company will adjust Policy benefits and will refund any underpayment, in a lump sum, upon receiving proof of:
 - a. the amount actually awarded; or
 - b. the claim denial and completion of any appeal the Company requires.
2. **Unreduced Monthly Benefits.** The Insured Employee may receive unreduced Monthly Benefits while the claim is pending. He or she must agree in writing to promptly refund any overpayment that results, in a lump sum, upon receiving Social Security or other Government Retirement Plan benefits. If he or she does not promptly refund an overpayment:
 - a. the Company will reduce or eliminate future payments; and
 - b. the Minimum Monthly Benefit will not apply, until the amount is repaid.

Lump Sum Payments. Other Income Benefits that are paid in a lump sum will be pro rated as follows.

1. The lump sum will be pro rated on a monthly basis, over the time period for which it is given.
2. If no time period is stated, the Company will continue its estimated monthly offset for that benefit, until full amount is offset.
3. If no estimated monthly offset was being made for that benefit, the lump sum will be pro rated on a monthly basis over a reasonable time period. It will not exceed 60 months or the Maximum Benefit Period (whichever occurs first).

Cost-of-Living Freeze. After the first deduction for each of the Other Income Benefits (except Earnings), its amount will be frozen. The Monthly Benefit will not be further reduced due to any cost-of-living increases payable under these Other Income Benefits.

RECURRENT DISABILITY

"Recurrent Disability" means a Disability caused by an Injury or Sickness that is the same as, or related to, the cause of a prior Disability for which Monthly Benefits were payable. A Recurrent Disability will be treated as follows.

1. **New Disability.** A Recurrent Disability will be treated as a new Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
 - a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; and
 - b. for six consecutive months or more following the date the prior Disability Benefits ended.

A new Elimination Period must be completed before further Monthly Benefits become payable. A new Maximum Benefit Period will apply.

2. **Prior Disability.** A Recurrent Disability will be treated as part of the prior Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
 - a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; but
 - b. for less than six consecutive months following the date the prior Disability Benefits ended.

The completion of a new Elimination Period is not required before further Monthly Benefits become payable. The same Maximum Benefit Period will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability Benefit will apply as well.

In addition, a Recurrent Disability will be treated as a prior Disability if all of the subsequent events occur in less than six consecutive months following the date the prior Disability Benefits end under the Policy:

- a. a job opening is not available for the Insured Employee to return to work with the Employer;
- b. the Insured Employee's coverage under the Policy terminates;
- c. the former Employee returns to his or her Own Occupation with a new employer on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits;
- d. benefits are not payable under any other group long-term disability plan; and
- e. a Recurrent Disability begins.

Benefits for the former Employee will be reinstated for the Recurrent Disability and the completion of a new Elimination Period will not be required before further Monthly Benefits become payable. The same Maximum Benefit Period, Exclusions, and Limitations will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability benefit will apply as well. Benefits reinstated under this provision are subject to the Policy's terms and conditions that were in effect at the time the prior Disability began.

To qualify for a Monthly Benefit, the Insured Employee, or former Employee, must earn less than the percentage of Predisability Income specified in the Partial Disability Monthly Benefit section. Monthly Benefit payments will be subject to all other terms of the Policy that applied to the prior Disability.

This Recurrent Disability provision will cease to apply to an Insured Employee, or former Employee, who becomes eligible for coverage under any other group long-term disability plan.

This Benefit reimburses the Employer for 50% of the expense incurred for reasonable accommodation services for the Insured Employee; but will not exceed:

1. a maximum benefit of \$5,000 for any one Insured Employee; or
2. the Company's expected liability for the Insured Employee's Long Term Disability claim (whichever is less).

Such services may include:

1. providing the Insured Employee a more accessible parking space or entrance;
2. removing barriers or hazards to the Insured Employee from the worksite;
3. special seating, furniture or equipment for the Insured Employee's work station;
4. providing special training materials or translation services during the Insured Employee's training; and
5. other services the Company deems reasonably necessary to help the Insured Employee return to work with the Employer.

ELIGIBILITY FOR BENEFIT. The Company will determine the Employer's eligibility to receive the Benefit. To qualify for the Benefit, the Employer must have an Insured Employee:

1. whose Disability prevents the performance of his or her regular occupation at the Employer's worksite;
2. who has the physical and mental abilities needed to perform his or her own or another occupation at the Employer's worksite; but only with the help of the proposed accommodation; and
3. who is reasonably expected to return to work with the help of the proposed accommodation.

The Company must also find that the requested Reasonable Accommodation Benefit is less than the expected liability for the Insured Employee's Long Term Disability claim.

WRITTEN PROPOSAL. The reasonable accommodation services must be provided in accord with a written proposal, which is developed with input from:

1. the Employer;
2. the Insured Employee; and
3. his or her Physician, when appropriate.

The proposal must state the purpose of the proposed accommodation; and the times, dates and costs of the services.

CONDITIONS. Either the Company, the Employer, the Insured Employee, or his or her Physician may first propose an accommodation.

The proposal must be approved by the Company in writing.

The Company will then reimburse the Employer, upon receipt of proof that the Employer:

1. has provided the services for the Insured Employee; and
2. has paid the provider for the services.

PRIOR INSURANCE CREDIT UPON TRANSFER OF INSURANCE CARRIERS

To prevent loss of coverage for an Employee because of a transfer of insurance carriers, the Policy will provide Prior Insurance Credit for employees insured under the prior carrier's policy on its termination date as follows.

FAILURE TO BE ACTIVELY-AT-WORK DUE TO INJURY OR SICKNESS. Subject to premium payments, the Policy will provide coverage to an Employee:

1. who was insured by the prior carrier's policy at the time of transfer; and
2. who was not Actively-At-Work due to Injury or Sickness on the Policy's Effective Date.

The coverage will be that provided by the prior carrier's policy, had it remained in force. The Company will pay:

1. the benefit that the prior carrier would have paid; minus
2. any amount for which the prior carrier is liable.

DISABILITY DUE TO A PRE-EXISTING CONDITION. Benefits may be payable for a Total Disability due to a Pre-Existing Condition for an Employee who:

1. was insured by the prior carrier's policy at the time of transfer; and
2. was Actively-At-Work and insured under the Policy on the Policy's Effective Date.

The benefits will be determined as follows:

1. The Company will apply the Policy's Pre-Existing Condition Exclusion. If the Insured Employee qualifies for benefits, such Insured Employee will be paid according to the Policy's benefit schedule.
2. If the Insured Employee cannot satisfy the Policy's Pre-Existing Condition Exclusion, but can satisfy the prior carrier's pre-existing condition exclusion giving consideration towards continuous time insured under both policies; then he or she will be paid in accord with the benefit schedule and all other terms, conditions and limitations of:
 - a. the Policy without applying the Pre-Existing Condition Exclusion; or
 - b. the prior carrier's policy;whichever is less.
3. If the Insured Employee cannot satisfy the Pre-Existing Condition Exclusion of the Policy or that of the prior carrier, no benefit will be paid.

FAMILY INCOME BENEFIT

The Company will pay a lump sum benefit to the Eligible Survivor, when proof is received that an Insured Employee died:

1. after Disability had continued for 180 or more consecutive days; and
2. while receiving a Monthly Benefit.

The benefit will be equal to three times the Insured Employee's Last Monthly Benefit.

"Last Monthly Benefit" means the gross Monthly Benefit payable to the Insured Employee immediately prior to death. Any reductions for Other Income Benefits, or for earnings the Insured Employee received for Partial Disability Employment, will not apply.

"Eligible Survivor" means the Insured Employee's:

1. surviving spouse; or, if none
2. surviving children who are under age 25 on the Insured Employee's date of death.

If payment becomes due to the Insured Employee's children; then payment will be made to:

1. the surviving children, in equal shares; or
2. a person named by the Company to receive payments on the children's behalf.

This payment will be valid and effective against all claims by others representing, or claiming to represent, the children.

Three Month Survivor Benefit

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association (ULHIGA). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE:

- * You must be a Utah resident
- * You must have insurance coverage under an individual or group policy.

POLICIES COVERED. ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS. Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- * Coverage through an HMO
- * Coverage by insurance companies not licensed in Utah.
- * Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- * Policies protected by another state's guaranty association.
- * Policies where the insurance company does not guarantee the benefits.
- * Policies where the policyholder bears the risk under the policy.
- * Re-insurance contracts.
- * Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- * Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- * Policies issued to entities that are not members of ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

LIMITS ON AMOUNT OF COVERAGE. Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 -- whichever is lower. Other caps also apply:

- * \$200,000 in net cash surrender values.
- * \$500,000 in life insurance death benefits (including cash surrender values).
- * \$500,000 in health insurance benefits.
- * \$200,000 in annuity benefits -- if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- * \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply.)
- * Interest rates on some policies may be adjusted downward.

Statement of ERISA Rights

The following statement of ERISA rights is required by federal law and regulation. As a participant in this plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits. Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series), if any, filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), if any, and updated summary plan description. The administrator may make a reasonable charge for copies.

Receive a summary of the plan's annual financial report if the plan covers 100 or more participants. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries. In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights. If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions. If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.
